How did we start?

1. Before 2000 some student mobility
2. One partnership project
3. 2008 → decision management → start International Office
4. Networking is crucial:
 - 2010 – Member of EfVET
 - 2011 – Membership Catch

Situation today

1. All students have the possibility on mobility
2. Participating in a variety of partnership projects
Smart technology / e-commerce / childcare / leadership / preventing drop-out / international student collaboration
3. Change from central to sectoral approach

What is important?

1. Strategic Plan Da Vinci is leading
2. Sectors in the lead in mobility and projects → sector plan →
3. Teachers are crucial → role model
4. Its not only about traveling – I@Home
